

To Parents/Carers

You may be aware that Millennium Catering will no longer be providing school meals from the Kingsmead kitchen from 31 March 2017. We will be taking the service 'in house' from 1 April. From this date payments made using Parent Pay will be credited to Kingsmead School.

Millennium Catering have asked us to pass on the following information:

In order to manage individual student cashless catering account balances over the remaining weeks:

- We are no longer able to "lend" to any cashless catering account
- Outstanding debit balances must be credited to zero by 24 March 2017
- Parents should not credit accounts using the online payment method after 24 March 2017
- "Revaluation" points in school should only be used to credit accounts with enough funds to last until 31 March 2017.

Thank you - Leighton Townsend, Millennium Catering
